**Subject:** Leavenworth National Fish Hatchery

Hi Jill,

I am the biologist from NOAA Fisheries working on the Leavenworth National Fish Hatchery consultation for FWS and BOR. Dale Bambrick has told me that the EPA has also requested a consultation in issuing a NPDES permit for this hatchery and wanted to introduce myself.

My contact information is below, in the signature line. Please feel free to contact me for any questions you may have.

Thank you,  
Emi
